ABOUT

CD by title, art director by trade. I've worked every rung from junior art director to GCD, and the part I always loved most is making the thing. Concept to finished piece across campaigns, social, and launch content for Apple, Lincoln, Heineken, State Farm, and Nissin. Fluent in the AI tools that speed up the work without doing the thinking.

EXPERIENCE

Freelance Art Director & Designer | 2026 to present

- Design and photo retouching for GE Profile and Café appliance shoots.
- Founded Masters Of Sight (mastersofsight.com), a curated archive of visual architects. Built the brand, site, and social presence solo, from zero.

Creative Director | Cornett, Lexington, KY | 2024 to 2026

Nissin (Cup Noodles · Top Ramen · Hot & Spicy) · UK HealthCare · Madame Tussauds · GE

- Creative lead on Nissin brands and part of the team that won the account.
- Launched a regional Super Bowl spot for UK HealthCare.
- Developed campaigns across broadcast, OOH, social, and digital.

Freelance Art Director & Designer | 2023 to 2024

Creative Director | TBWA\Media Arts Lab, Los Angeles | 2019 to 2023

Apple · Apple TV+ · Apple Fitness+

- Concepted, created, and produced an original film for iPhone 14 Pro showcasing Action Mode.
- Owned weekly social content for Apple TV+ originals Servant, SEE, and The Oprah Conversation, with launch work on The Morning Show, Severance, and Luck.
- Led Apple Fitness+ social content.
